

Wirtschaftsvereinigung
Stahlrohre e.V.

German Steel Tube Association

Certificate of Participation

in the initiative "CARBON REDUCED TUBES & PIPES – Towards carbon neutrality"

of the German Steel Tube Association
issued for

Poppe + Potthoff Präzisionsstahlrohre GmbH.

Poppe + Potthoff Präzisionsstahlrohre GmbH actively contributes in the design and implementation of the path towards CO₂ neutral steel tubes and pipes. The initiative aims to systematically and efficiently reduce the CO₂ emissions of products.

Düsseldorf, 01.04.2022
